## Cookie Policy for CoinRequest

This is the Cookie Policy for CoinRequest, accessible from <https://coinrequest.io> and all of its subdomains.

### What Are Cookies

As is common practice with almost all professional websites this site uses cookies, which are tiny files that are downloaded to your computer, to improve your experience. This page describes what information they gather, how we use it and why we sometimes need to store these cookies.

For more general information on cookies see the Wikipedia article on HTTP Cookies.

### How We Use Cookies

We use cookies for a variety of reasons detailed below. Unfortunately in most cases there are no industry standard options for disabling cookies without completely disabling the functionality and features they add to this site. Therefore, for your user experience, we notify you that these cookies are present, but cannot disable them.

### Disabling Cookies

You can prevent the setting of cookies by adjusting the settings on your browser (see your browser Help for how to do this). Be aware that disabling cookies will affect the functionality of this and many other websites that you visit. Disabling cookies will usually result in also disabling certain functionality and features of the this site. Therefore it is recommended that you do not disable cookies.

## The Cookies We Set

### Login related cookies

We use cookies when you are logged in so that we can remember this fact. This prevents you from having to log in every single time you visit a new page. These cookies are typically removed or cleared when you log out to ensure that you can only access restricted features and areas when logged in.

### Site preferences cookies

In order to provide you with a great experience on this site we provide the functionality to set your preferences for how this site runs when you use it. In order to remember your preferences we need to set cookies so that this information can be called whenever you interact with a page is affected by your preferences.

## Third Party Cookies

In some special cases we also use cookies provided by trusted third parties. The following section details which third party cookies you might encounter through this site.

### Google Analytics

This site uses Google Analytics which is one of the most widespread and trusted analytics solution on the web for helping us to understand how you use the site and ways that we can improve your experience. These cookies may track things such as how long you spend on the site and the pages that you visit so we can continue to produce engaging content.

Please note that we explicitly do NOT, track your IP address.

For more information on Google Analytics cookies, see the official Google Analytics page.

### Partners

Several partners advertise on our behalf and affiliate tracking cookies simply allow us to see if our customers have come to the site through one of our partner sites so that we can credit them appropriately and where applicable allow our affiliate partners to provide any bonus that they may provide you for making a purchase.
